

EndyMed CRM Implementation

Live Walkthrough & Onboarding |
April 16, 2025

CRM Goals & Long-Term Vision

- • Streamline lead tracking and follow-up workflows
- • Centralize all contact, account, and deal data in one unified system
- • Enable automated routing of leads by sales territory
- • Support personalized email marketing and campaign visibility
- • Improve forecasting and sales performance insights across reps

Next Steps: CRM Rollout Checklist

- 1. Accept CRM invite to your Leads and Deals boards (in the NEW EndyMed US CRM workspace)
- 2. Connect your email + calendar to Monday.com (emails remain private)
- 3. Share email read/write permissions with Sales USA seat (instructions will be sent)
- 4. Add your current deals to your pipeline (contacts/practices can be linked later)
- 5. Meet with the operations lead to review
