Day 3: Technology proof + before/after

Day 7: Competitive advantages (marketing, training, warranty)

Email 1

(Day 0)

Subject: Thanks for connecting with EndyMed

Body:

Hi {Custom Greeting},

Thank you for connecting with EndyMed. I'll be reaching out soon to schedule your demo and learn more about your goals.

In the meantime, here's a complimentary resource to help you start planning your next steps:

[Download: Seven Steps to Launch Your Aesthetic Practice]

This guide is part of the EndyMed Marketing Community, which provides ongoing marketing resources and campaigns to support your practice. In addition, our complimentary Marketing Launch Program with Medical Marketing Whiz (valued at \$10,000, included with select equipment purchases) ensures you hit the ground running with ready-made campaigns from day one.

Best regards,

Email 2

(Day 3)

Subject: See the EndyMed difference in RF results

Body:

Hi {Custom Greeting},

EndyMed's 3DEEP® multi-source, phase-controlled RF technology is designed to deliver:
Consistent, continuous-wave energy with proven safety for all skin types (Fitzpatrick I–VI)
Comfortable treatments with minimal downtime
Proven outcomes in skin tightening, resurfacing, microneedling, and body contouring — all from one platform

Our portfolio includes:

PRO MAX — flagship system with full range of handpieces, faster microneedling, highest power levels, and integrated thermal camera

PURE 2.0 — streamlined entry-level platform delivering the same powerful results in a compact design

PURE Laser — 810nm DioGlide diode laser hair removal with sapphire cooling for fast, effective treatments and optimal patient comfort

See the results of our technology for yourself:

[\[View Before & After Results\]](#)

I'd be happy to walk you through how these systems can expand your service menu and drive revenue for your practice. Would you like to set up a quick demo?

Best regards,

Email 3 (Day 7)

Subject: Why providers choose EndyMed

Body:

Hi {Custom Greeting},

Here's what truly sets EndyMed apart as a partner:

Device innovation — advanced RF platforms powered by 3DEEP® technology to maximize safety and versatility

Clinical training & education — in-person, hands-on training and ongoing support to build team confidence

Proven results — systems designed to deliver next-level outcomes with outstanding patient comfort

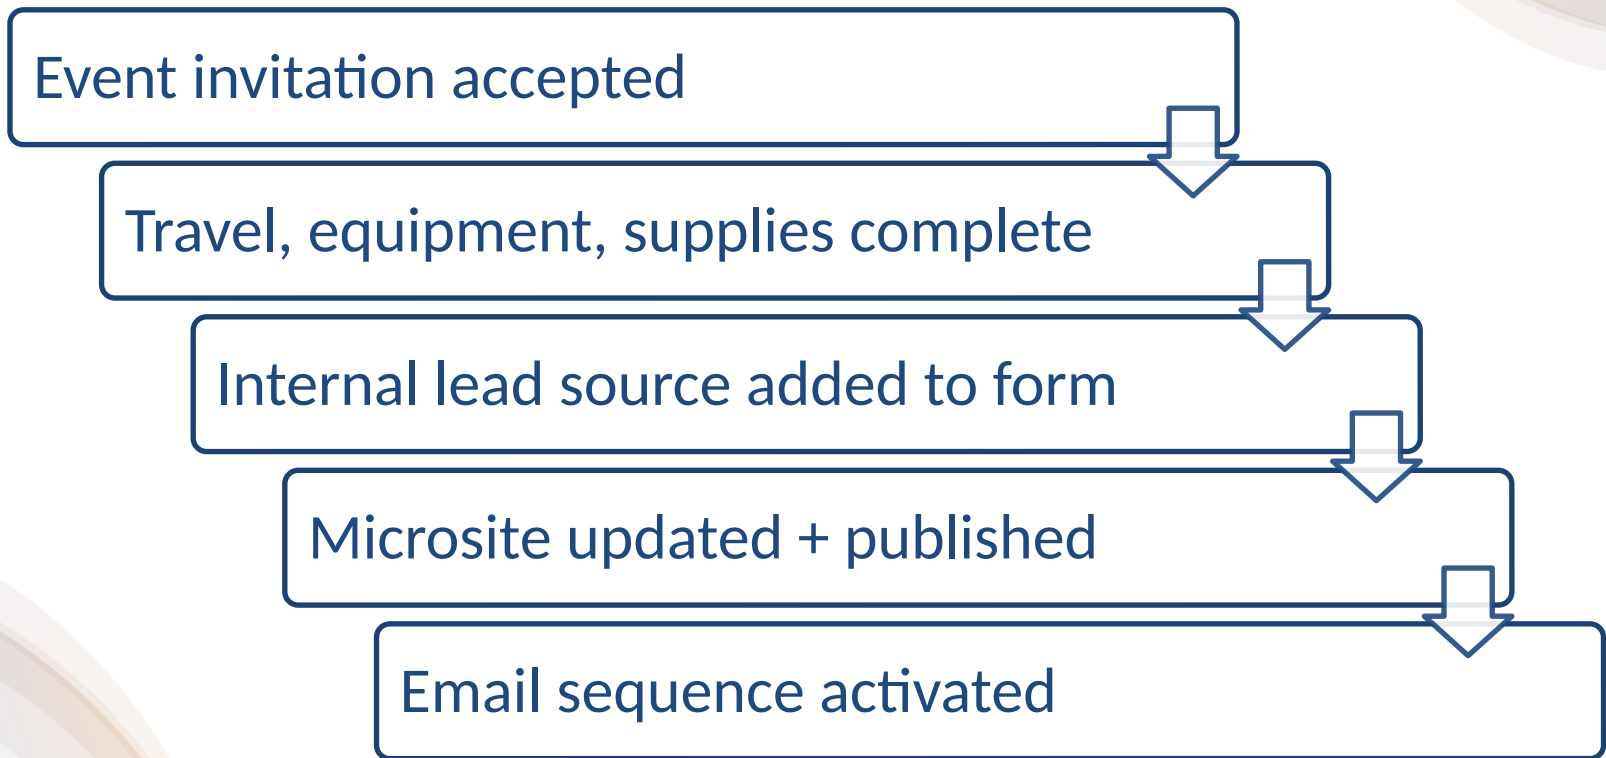

Launch support — access to our Marketing Launch Program with Medical Marketing Whiz and ongoing resources through the EndyMed Marketing Community

Peace of mind — 3-year warranty on select systems, streamlined consumable ordering, and dedicated post-sales support

I'd love to schedule a personalized demo to show you how EndyMed can support your clinical and business growth. Would you have 30 minutes this week or next for a quick call?

Best regards,
