

◆ ENDYMED INDEPENDENCE WEEK EVENT ◆

Buy 2 Handpieces. Get 2 Free.

Build a qualifying PRO MAX configuration with two treatment handpieces and receive **two additional qualifying handpieces at no cost** — four ways to grow, from one platform.

[REPLY FOR MY CUSTOM QUOTE →](#)

EVENT ENDS FRIDAY, JULY 10 · 5:00 PM ET

Every handpiece you add to PRO MAX is another treatment you can market, book, and bill. During Independence Week, you can add **two qualifying handpieces at no cost** when you build a configuration with two — turning one capital investment into **four revenue-driving services** across face and body.

PRO MAX puts **four RF technologies in a single device**, built on clinically validated 3DEEP® — so you do more for patients and open more revenue streams from one platform. EndyMed reports the all-in-one platform can generate **up to 7× ROI**.

"It uses 3DEEP® technology to help the radiofrequency penetrate deeper and more evenly into the skin — a more controlled technology than others. I've used others too, but I'm back with EndyMed."

Jaimie B. Glick, MD · Dermatologist, USA

Questions? salesusa@endymed.com

Event terms: The EndyMed Independence Week Event runs July 2–10, 2026 (ends 5:00 PM ET). To qualify, a purchase must include an eligible PRO MAX configuration with two qualifying treatment handpieces; the two complimentary handpieces must be selected from qualifying options. Offer applies to new EndyMed system purchases only, cannot be combined with other promotions, and cannot be applied retroactively. Configurations must be initiated within the event window. Final terms are confirmed in your written quote. Availability is limited.

You're receiving this because you previously expressed interest in EndyMed or Empire Medical products or attended a related event.
