PROFESSIONAL EXPERIENCE

EndyMed Medical, Inc. (medtech device manufacturer) | Remote February 2025 - Present
Sales Operations Manager

- Built an automated client onboarding process that coordinates each deal across departments, from installation to clinical training, overseeing customer experience across \$2M+ in annual capital equipment revenue.
- Engineered national CRM structure from scratch, standardizing lead and deal pipelines with territory routing, cross-board automations, and live activity visibility for global leadership.
- Integrated ERP, Shopify, and client data into a master install-base spreadsheet, running RFM customer segmentation that flagged 28% of accounts as dormant, serving as the target audience for re-engagement and consumable upsell strategies.
- Digitalized event lead capture with landing pages across 35 trade shows annually, establishing automated lead nurturing and source-tracking standards that strengthened follow-up.
- Established support escalation and out-of-warranty SOPs with the 3PL warehouse, standardizing the post-sale customer experience and reducing service invoices by approximately \$5,000 per month.
- Absorbed national marketing strategy, managed 2 team members, and set campaign priorities for lead generation.

Irvine Ranch Conservancy (nonprofit) | Irvine, CA May 2026 - Present
Analytics Consultant (MSBA Capstone)

- Serve as presentation and technical lead, translating 13+ years of program data into a structured Power BI dashboard.

Med Results Inc. (aesthetic device distributor) | Glendale, CA May 2024 - January 2025
Office Manager

- Coordinated capital equipment and consumable shipments through QuickBooks, HubSpot, and internal tracking spreadsheets while maintaining inventory and producing semi-monthly sales reports.
- Owned “Age Reversal Academy” national training summits end-to-end, from agenda design, KOL presentation collaboration, pre-event reservations, day-of logistics, and driving upsell to both existing and prospective clientele.
- Oversaw the national event calendar and represented the company’s sponsorship packages at national trade shows.

Dotted Line MFG (Gaiter King) (PPE manufacturer) | Los Angeles, CA April 2020 - December 2020
Operations Coordinator

- Automated a B2B sample fulfillment workflow using Zapier, Google Sheets, and ShipStation, cutting sample order processing time by roughly half.
- Prepared 50+ SKU variations for Amazon fulfillment, including barcode labeling, packaging standardization, and inventory management for B2B and DTC channels.
